

It has been 4 years since Ruckus Roboticus won the Rockstar Games Upload Contest for Best DJ Mix. Where has the time gone? Among other things, he has spent the time completing his long-awaited debut album, "Playing With Scratches" (Grease, 2007); and creating the next edition in the infamous "Lesson" series. To celebrate these accomplishments, Ruckus has recorded his next mix-masterpiece: "The Music Machine". Much like the theme of his album, this mix is all about childhood. It features songs of the kids (Sesame Street, the Electric Company, the Muppet Show), for the kids (Nas, Slick Rick, Fresh Prince), and by the kids (Musical Youth, Kris Kross, Lil' Bow Wow). You will know it is time to turn the page, when you hear the beat drop like this... (press play!)
